METHOD

How to do it:

- 1. Place all purpose flour, Multiseed Bread Concentrate, Bakels Instant Yeast and water in spiral mixer bowl and mix on low speed for 2 minutes. Add Bakels Shortening, shift to high speed and mix for 2 minutes.
- 2. Rest dough for 10 minutes.
- 3. Scale into desired weight, round and rest for 10 minutes.
- 4. Lightly dust with flour and sheet using a rolling pin until 1 cm thickness. Allow dough to relax for 10 minutes in between sheeting until desired thickness is achieved.
- 5. Proof for approx 1 hour.
- 6. Bake at 180°C for 10-12 minutes (par-bake).
- 7. Place toppings and bake at 265°C for 4 minutes or keep frozen until ready for use.
